Dear Friends,

On behalf of the volunteers and staff at Parker Street, I would like to thank you and everyone at Mundens Moving for your generous donation of Christmas Trees.. Your contribution helped make it possible for us to brighten Christmas for many less fortunate families in HRM.

Since our inception over 26years ago, Parker Street has grown to meet many different needs. As well as providing supplemental food and basic furnishings, we also offer emergency financial support as well as skills training programs. We would not be able to do this without the great help from supporters like you.

As we look ahead, we will continue to assist those who find themselves in either temporary or long term situations which can lead to unsafe, unhealthy or homeless environments. As you know, the cost of everything is on the rise and your support and generosity is vital and appreciated.

Again, thank you so much for your contribution and we wish you and yours a happy and healthy 2011.

Sincerely,

Mel Boutilier C.M., O.N.S.
